

WOLLAR SOLAR FARM

Project Update July 2018

Community information session

A community information session will be held in Mudgee to provide further information about the proposed Wollar Solar Farm. The session will offer a forum to learn more about the proposal and provide feedback to Wollar Solar Development Pty Ltd and Environmental Assessment representatives. Feedback can also be provided overleaf. The location and details of the community information session are provided below. The format is a 'drop in' session to encourage one on one discussion. Drop in any time between these hours:

Thursday 16th August
1pm – 7pm
Mudgee CWA Hall
48 Market Street
Mudgee NSW 2850

Preliminary Environmental Assessment

A Preliminary Environmental Assessment (PEA) has been completed and submitted to the NSW Department of Planning and Environment (DP&E). This is the first step to more detailed project planning and assessment. The PEA is publicly available and can be viewed at the following website:

Department of Planning & Environment
Major Project Assessments
